

Issues Impacting Latino Student Success - Know Your Students

Facilitator:

Donna Hollingshead, *Executive Director for the Superintendent of Schools, Montgomery County Public Schools*

Presenter:

Candace Kattar, *Executive Director, Identity, Inc., Gaithersburg, Maryland*

Teresa Arene, *Licensed Clinical Social Worker from El Salvador*

This interactive session will explore issues impacting Latino student success and how teachers can help students achieve better academic outcomes by increasing their knowledge of and sensitivity to those issues. The presenters will explore the impact of immigration, family separation, parental literacy levels, and cultural factors on student achievement.
