

## **Fourth Annual Conference**

*Engaging Secondary School Students and Their Communities*

## **Forum Breakout Session**

---

### **Middle School Pathways to Rigor**

#### **Facilitator and Presenter:**

Marty Creel, *Director, Department of Enriched and Innovative Programs, Montgomery County Public Schools*

School systems across the nation are seeking strategies to increase rigor in middle school, help students earn graduation credit earlier, and prepare students to succeed in AP courses in high school. This session will highlight some of the rigorous pathways that are part of the MCPS middle school expansion.
