

Fourth Annual Conference

Engaging Secondary School Students and Their Communities

Forum Breakout Session

Twice Exceptional Students and Rigorous Instruction: Supporting the Access of Gifted and Talented/Learning Disabled Students

Facilitator:

Kay Williams, *Director, Division of Accelerated and Enriched Instruction, Montgomery County Public Schools*

Presenter:

Marisa Stemple, *Instructional Specialist, Division of Accelerated and Enriched Instruction,
Montgomery County Public Schools*

This breakout session will focus on the characteristics of GT/LD students and strength-based instructional strategies that increase their access to rigorous coursework at the secondary level. In this session, participants will identify typical strengths and needs, recognize common obstacles to success, and determine appropriate strength-based accommodations and strategies that work for these students.
