 MC PROGRAM: Accounting A.A.S.

HIGH SCHOOLS: Blair, Blake, Einstein, Gaithersburg, Magruder,  
Northwest, Paint Branch, Seneca Valley, Sherwood,  
Springbrook, Watkins Mill

Today's business management professionals assume a broad range of responsibilities involving interpersonal activities, decision-making, communication, and teamwork. Accordingly, applicants for managerial positions are challenged to bring higher skills and knowledge to careers and college more than ever before. This comprehensive program includes business administration and technology courses. Emphasis is placed on developing leadership qualities, management strategies, critical thinking skills, and effective communication skills.
