

SERT Flash

School Energy and Recycling Team

Welcome Back SERT Teams

SERT Booth at the 2009 Back to School Fair

**Summer is over
Fall is here
Invite us out
That's why we are here!**

Have you been assigned to be the SERT leader at your school?
Are you wondering, "Where do I begin?"

If you answered yes to both questions, please invite SERT to come by and help set up a superior SERT program at your school. SERT team members are available to present to school staff, work with students, and to suggest successful strategies. Visit our comprehensive website to learn more about the contests, awards, and activities available to schools and students.

We are willing to help coordinate team activities to increase energy savings, provide tips on increasing recycling rates, and meet with administrators to share resources and make connections.
