

## Is your group planning a Car Wash for a Fund Raiser?

*Know the facts, before you start:*

- \*To increase your profits choose an offsite community location, i.e. neighborhood gas station, bank, restaurants.
- \*Did you know if you have a car wash on MCPS property you will need to get approval from the Department of Facilities Management and lease a water meter through WSSC?
- \*Your group will be charged for the lease of the water meter and the water if a school site is used.
