## PART III-SUPPORTING SERVICES EMPLOYEES IN CLASS 1 AND/OR CLASS 3 ACTIVITIES

Supporting services employees may be eligible for stipend activities if and only if:

1. The school sought teacher-level applicants and does not have a candidate interested AND
2. The employee volunteered to take the assignment AND

3a. The employee is a part-timer with enough remaining time to conduct the activity without exceeding 40 hours per week (generally, this means as a supporting service employee who works 30 hours per week or less, may be considered) OR
3b. The employee is a full-timer but the stipend requires work in another capacity than his/her normal work. The Fair Labor Standards Act considers anything instructional to be similar work. Therefore, the regular work of an employee must not be instructionally related. In general, significant contact with students is considered to be instructionally related. Employees in such positions as paraeducators, media assistants, and career information coordinators are considered instructional under this limitation and may not work in a stipended activity if it would require work beyond 8 hours a day or 40 hours a week.
$\square$ I verify that all supporting services employees listed within this form meet the criteria listed above.
