THE ROAD TO SUCCESS IS ALWAYS UNDER CONSTRUCTION

Joan Donovan-Projects Co-Chair

The MCPSRA *Toolkits, Books, and Backpacks Project* most assuredly has been on the “Road to Success” this past year and many may feel that we truly triumphed over a recessed national economy to reach total success with this past summer’s project for the economically challenged Title I elementary summer school children. Keep in mind though that the road to success is always under construction and that “triumph” is just “umph” added to “try”. Our task as an association is not only to advocate for the benefit and well-being of our members but also for the educational well-being of our county’s school children whom we served for so many years during our careers as school personnel. Our commitment to children did not end the day we retired.

With the bleak outlook on today’s economic climate it is truly challenging to conduct a fund-raising campaign for a project that will not come to fruition until next summer. But the road to success is paved one step at a time and with a little “umph” from each MCPSRA member we can triumph once again and reach even loftier heights than those achieved the past two years. If each of us would seriously contemplate the strain that the current state of our economy has placed on the neediest of our county residents and their children, I am confident that surely each of us could find in our budget enough money to sponsor at least one toolkit for \$10 to help a needy child. Some 65 members have already done so for a total of almost \$2600, and we are extremely grateful. But MCPSRA has nearly 2700 members. Just think what we could do if every member would donate just \$10! Not only could we be sure that all Title I kindergartners next summer would receive toolkits with all the school supplies that they need at home to support their learning at school, but we could provide books for the children in grades 1 – 5 and backpacks for homeless children.

Now and always the “Road to Success” for our project will be under construction as long as the needy children in our county require our help. We know these are tough times but someone once said, “If the going gets easy you may be going downhill.” The only way we plan to move is UP! Please consider making a donation now as well as throughout the coming months as your budget will allow. You might want to consider contributing in someone’s honor or memory as a truly meaningful gift for the Holidays. We will gladly send acknowledgements to those whom you wish to honor or remember in this way. All donations are **TAX-DEDUCTIBLE**. Please complete the form included in this newsletter and mail it with your donation. Thank you so much for caring!

On behalf of the MCPSRA Board of Directors, we hope that each of you had a Happy Thanksgiving with family and friends and that the coming holiday season brings you great comfort and joy. Based on the feedback that I received from participants, our first luncheon at the new venue, the *Golden Bull Grand Café*, was a great success. We had 110 members and guests enjoy the food, the camaraderie, and the spirited presentation of Mr. Christopher Orlando, MCPS Teacher of the Year. Mr. Orlando teaches mathematics at Bethesda-Chevy Chase High School and, based on his inspiring words, it is easy to see why he was selected for this honor. Our next luncheon will be on February 26, 2009. Let's double our attendance!! A *reservation form* is included in this newsletter.

Tuesday, November 4, 2008, will be recognized as monumental day in United States history with the election of Barack Obama. On January 20, 2009 he will be inaugurated as the 44th President of our nation! I am hopeful that President Obama will be able to pull the citizens together to resolve many difficult national and international issues which confront us. Locally, the MCPSRA recommended candidates for the MCPS Board of Education, Mr. Phil Kauffman and Ms. Laura Berthiaume won their seats. Mr. Christopher Barclay, who ran unopposed, will join four current members, and the student member to guide our school system. We wish them the best.

On October 23, 2008, Ms. Joan Donovan, co-chair of the nationally recognized *Toolkits, Books and Backpacks Project* was inducted into the Maryland Senior Citizens Hall of Fame at a ceremony in Glen Burnie, Maryland. I was pleased to be in attendance, along with other MCPSRA board members, to honor her. Joan has been a tireless member of the MCPSRA Board of Directors as she is always willing to "step forward" whenever a job needs to be done. On behalf of our members, we congratulate Joan for this well-deserved honor.

At this writing, the economic crisis in the nation, the state and the county has worsened. The Maryland Retired School Personnel Association (MRSPA) and your MCPSRA Board of Directors will continue to monitor how Governor Martin O'Malley and the Maryland state legislators deal with the recent estimated state budget shortfall of **\$1.4 billion**. The proposal to shift the state funding for retirement costs to the individual counties remains a "hot topic", and we must oppose this short-sighted "solution" to the current budget crisis. MRSPA, in concert with the 24 state retiree associations, continues to lead the opposition to this misguided proposal. As I mentioned in my last **two** messages to you, contact your state representatives and voice your opposition. (Toll-free 1 800-492-7122 or Email through the General Assembly web site <http://mlis.state.md.us>). Ms. Jane Hardy, legislative chairperson, and Ms. LeeAnn Kaye, political action chairperson, continue to lead us in this effort.

I am issuing another urgent call for a newsletter editor! If you, or anyone you know, would like to step forward and take on this important task, please contact me as soon as possible. Your help will be appreciated. Finally, your next **assignment** as a MCPSRA member is to **recruit a new member** by the next newsletter in February!!!!

MEMBERSHIP ALERT

Betsy Doyle, MRSPA Membership Chair

Believe: Members Make the Difference

This is the slogan for the coming year for the Maryland Retired School Personnel Association (MRSPA). MRSPA is the state “watchdog” of our pension and retirement funds as well as our health-care coverage. It is up to all of us to help recruit new members...the more members we have the more attention and support we have in Annapolis. The goal for MRSPA is to have 15,000 members by March 1, 2009. This means a 7% gain for each local. For MCPSRA this means at least 189 new members. Where do we get these new members? We get them from you, our retirees, of course!! I, as chairperson of the state membership committee, challenge all of you to recruit and to sign up just one (1) new member. Please talk to all your retiree friends and encourage them to sign up if they are not already members.

WE DO NEED YOUR HELP AND SUPPORT!!

WHAT IS COMMUNITY SERVICE?

Ruth Doak, Community Service Chair

What is Community Service and why does MCPSRA have something to say to us about it? Community Service is that portion of our waking hours in our retirement which we dedicate to being of service to others in our own community or around the world.

The first place you might think of is in the field you know best: YOUR LOCAL SCHOOL. In these days of large school populations and very busy teachers, what we have to give is much appreciated. Go to your closest elementary school and ask the principal where you can be of the most help. Lots of us have helped as reading tutors, particularly for youngsters who may hear their only English words all day during the hours they spend in school. Others of us who prefer working with older children find that our background makes us valuable in many fields. Math skills need so much reinforcement and sometimes teachers just run out of time, as we know.

There is a wonderful organized program in Montgomery County called INTERAGES which can help you find your niche. This past year Interages had 188 volunteers touching the lives of over 650 students through their Bridges program. This is a rewarding and fun mentoring program in which a student and a caring adult meet on a regular schedule throughout the school year. More mentors are needed at new school sites in 2008-09. This wonderful organization which recruits volunteers has many opportunities to suggest. Call Interages at 301-949-3551 to learn more about the organization or visit their website www.interagesmd.org.

If you do not live in Montgomery County or find it a convenient site for your volunteer activity, no doubt there is a comparable need wherever you live. Another program needing volunteers is MEALS ON WHEELS, a service which delivers two meals a day to homebound elderly or shut-in persons. There is always a need for drivers for this valuable outreach and most county agencies or churches could put you in touch with the local branch of the organization. There are seven numbers by neighborhood in the Montgomery County telephone directory for Meals On Wheels.

There is one more program I'd like to highlight for you. If you haven't heard about ELDERHOSTEL, you are certainly eligible to participate in this enthusiastic group of retirees interested in learning. A recent innovation of Elderhostel is their Service Learning Program, designed for active retirees who also value adventure. You can choose to travel to various parts of the world to (1) survey prehistoric Pueblo sites in the Four Corners of Colorado, (2) preserve Ike & Mamie Eisenhower's farm at Gettysburg, (3) engage in dinosaur bone preservation in Wyoming, (4) teach conversational English in Hungary, (5) help with the preservation of an historic site in St. Croix, Virgin Islands. And all of this you do with other retirees who have a like interest. Many of you will find this enticing. Call Elderhostel at 1-800-454-5768 or go on line at www.Elderhostel.org. They offer nearly 8,000 programs in 90 countries and the Service With Learning opportunities are only a small part of their catalog; there are programs which are rewarding for people of all interests and abilities.

Read the Volunteer Opportunities column in your local newspaper or in our MCPSRA newsletters, search out places to offer your help, or try something completely new. For instance, consider becoming a docent at one of our many public or private museums. You will be rewarded many times over for what you do. Remember, volunteers serve without pay, not because what they do is without value but because it is priceless.

Then the GBTLA is the place for you! The 2008–09 season is upon us, so please consider tutoring for the GBTLA this year. It is a great opportunity to work with a wonderful group of students.

Both lead tutors and volunteers are needed. Individuals with certification are eligible to serve as lead tutors and will receive a stipend of \$37 per hour. Those without certification can serve as volunteers.

All twelve center locations are in need of both lead tutors and volunteers:

- Albert Einstein Center
- Gaithersburg Center
- John F. Kennedy Center
- Northwest Center
- Magruder Center
- Paint Branch Center
- Rockville Center
- Sherwood Center
- Springbrook Center

We encourage you to visit any of the centers for a tour or to observe the sessions. Just call the GBTLA main office to let us know where you will be visiting so we can make sure the center director is available to welcome you.

Tutoring sessions are held on Saturday mornings from 8:30 to 11:30 a.m. from October through May. If you are interested, please contact Michael Thomas, Executive Director, on 301.320.6545.

Save the Date!

It's never too early to plan for golf! The GBTLA 15th Annual Golf Tournament will be held on Friday, May 15, 2009. The tournament is held in the morning, followed by a great barbeque lunch.

Save the date—it's a great event!

WHY WOMEN'S HISTORY?

"One great satisfaction in learning women's history is the thrill of engaging in a subversive activity. Even in today's market, important facts about the impact of women in social movements and most disciplines are largely ignored by masculinist historians who profess to write the "whole story." Such books often completely ignore specific women.

Knowing the lives of important women (gleaned from women and men historians devoted to equality) provides unlimited openings in daily conversations. If the subject turns to presidential candidates, for example, the women's history buff mildly asks, "Have you read about the professional and inspired campaign Belva Lockwood ran in 1884?" If the answer is "Yes," you have met a colleague and discussion is open. If the answer is, "No, what did She do?" you have an audience who is eager to learn. Either way you have hit gold.
