

bar graph

A graph that compares different categories of data by showing each category as a bar.

range

| X | Y |
|---|---|
| 1 | 2 |
| 2 | 4 |
| 3 | 0 |

The set of second numbers of the ordered pairs in a relation.

domain

| X | Y |
|---|---|
| 1 | 2 |
| 2 | 4 |
| 3 | 0 |

The set of the first numbers of the ordered pairs in a relation.

relation

$\{(3, -2), (9, 8), (-5, 0)\}$

A set of ordered pairs.

dependent variable

The variable in a relation whose value changes because of the independent variable.
