

Seventh Grade Technology: Course Expectations

Gregory S. Webster at John T. Baker MS

Overview:

Welcome to 7th grade Technology/Computers! This year you will learn about some of the new Word Programs in your Technology Classroom during the nine-week rotation. For instance you will find the answers to some questions, such as: How many “words per minute” am I typing? What is a “ribbon”? Which “tab” should I use to insert a photo? Throughout the quarter, we will use our computer skills to discover the answers to these and other questions.

Units of Study:

- Internet Safety
- Turbo Typing
- MS Word 2007
- MS Publisher
- Audacity
- Inspiration

Learning Skills:

Assignments will be project oriented and completed during class. There will be no homework. You will receive an Interim and a Final grade for this Marking Period.

Sincerely,

Gregory S. Webster
