

WANTED

Coupons

The School Community Based Classroom (SCB) students are collecting **coupons** to use on our community outing trips. We are also doing price comparison shopping using **local sale ads** from **grocery** and **retail** stores. If you have coupons or sale ads you would like to bring in for us to use, you can place them in an envelope labeled **To Mrs. Sullivan,** and have your child drop them off in the main office. Your help is greatly appreciated!

REWARD
