plus MD sales tax

**With Microsoft Windows
XP Home™ installed**

\$ 159

plus MD sales tax

With the support of Montgomery County Schools, the MCSITF supports students' interest in pursuing information technology (IT) career paths with both instructor-led and hands-on education and training. Students graduate with industry certification and are prepared to enter continuing education, college, and the IT industry workforce with experience and confidence.

For additional information please contact **John Brewer @ 301-929-6975 (john_n_brewer_iii@mcpsmd.org)**
