

## Briggs Chaney Middle School's 2006 – 2007 Direct Appeal

Dear Parents and Guardians,

During the past several years, Briggs Chaney Middle School (BCMS) has participated in a Direct Appeal program where families gave monetary donations to help pay for various functions, such as: cultural arts assemblies, quarterly recognition programs, discretionary principal funds, 8<sup>th</sup> grade graduation, and staff appreciation events, just to name a few. A "Direct Appeal" replaces the need to have other PTSA fundraisers through out the year.

This year we would like to continue the Direct Appeal to serve the needs outlined above. Thank you for all that you do for the students and staff at Briggs Chaney. Every volunteer effort and donation makes a difference.

We encourage you to donate through the Direct Appeal, now, at the beginning of the school year so we can carefully budget for this year's programs.

All donations to the Direct Appeal are tax deductible. Please use the tear off slip below along with your donation and mail to:

Each week for the first 8 weeks of school we will hold a raffle with the names of students and their families that have donated through the appeal. Thank you for your participation.
