

Guidelines for Student Service Learning Hours and Political Campaigns

EVERY student interested in earning SSL hours by working on the political campaign of an individual candidate must :

- submit MCPS Form 560-50 Application for Student Service Learning Special Activity to you for approval in advance of any service.
- campaign activities must be identified, the tax ID number is Not necessary
- students earn hours for service at the campaign headquarters or in public places-like malls, shopping centers, grocery stores, schools, churches, libraries etc.
- students do **not** earn hours for activities performed at home under their parent's supervision or in private homes of campaign members.
- students may **not** earn SSL hours for canvassing neighborhoods, door-to-door distribution or solicitation of any kind.
- all activities must be supervised by someone representing the campaign other than the parent.
- students may **not** earn SSL hours for telephone solicitation of financial contributions
- All service must be documented using the MCPS Form 560-51 Student Service Learning Activity Verification
