For students in grade 2-5, our school has produced a student assignment book that is available for student purchase. This assignment book is not graded or used as a hall pass, but is used by teachers to help your child track his/her assignments and let you know of assignments that are due. While this is a voluntary purchase, we strongly believe that a student assignment book is a valuable organizational tool to help you and your child monitor completion of assigned tasks. If you do not want your child to purchase the school's assignment book, please provide a tool your child can use for the same purpose. If you do wish to purchase one, please send in \$2.25 to your child's teacher the first week of school. Make checks payable to Cedar Grove ES.
