

Terrifically Tough
Tooth
By Mrs. Karp's Class
2008

Based on the story Tabitha's Terrifically Tough Tooth by Charlotte Middleton

I ate an apple. My tooth is stuck in the apple.

I use my tongue to push out my tooth.

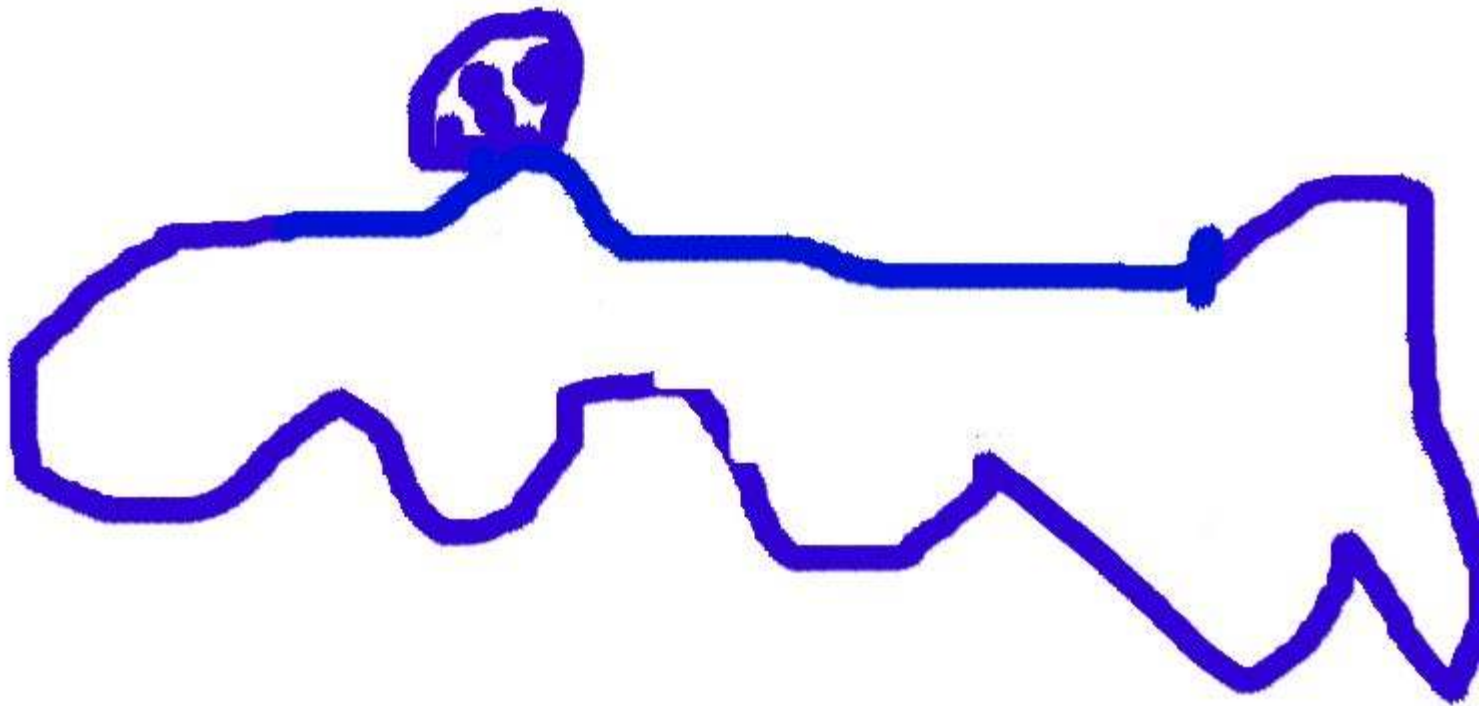

My Dad pulled
my tooth.

I drink some water and my tooth came out.

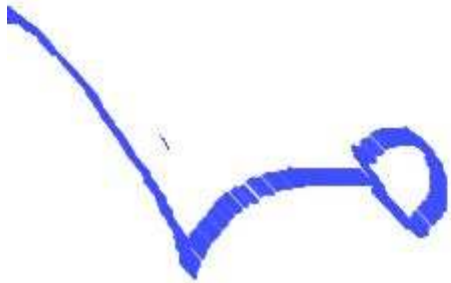

My tooth came out. I pulled it out!

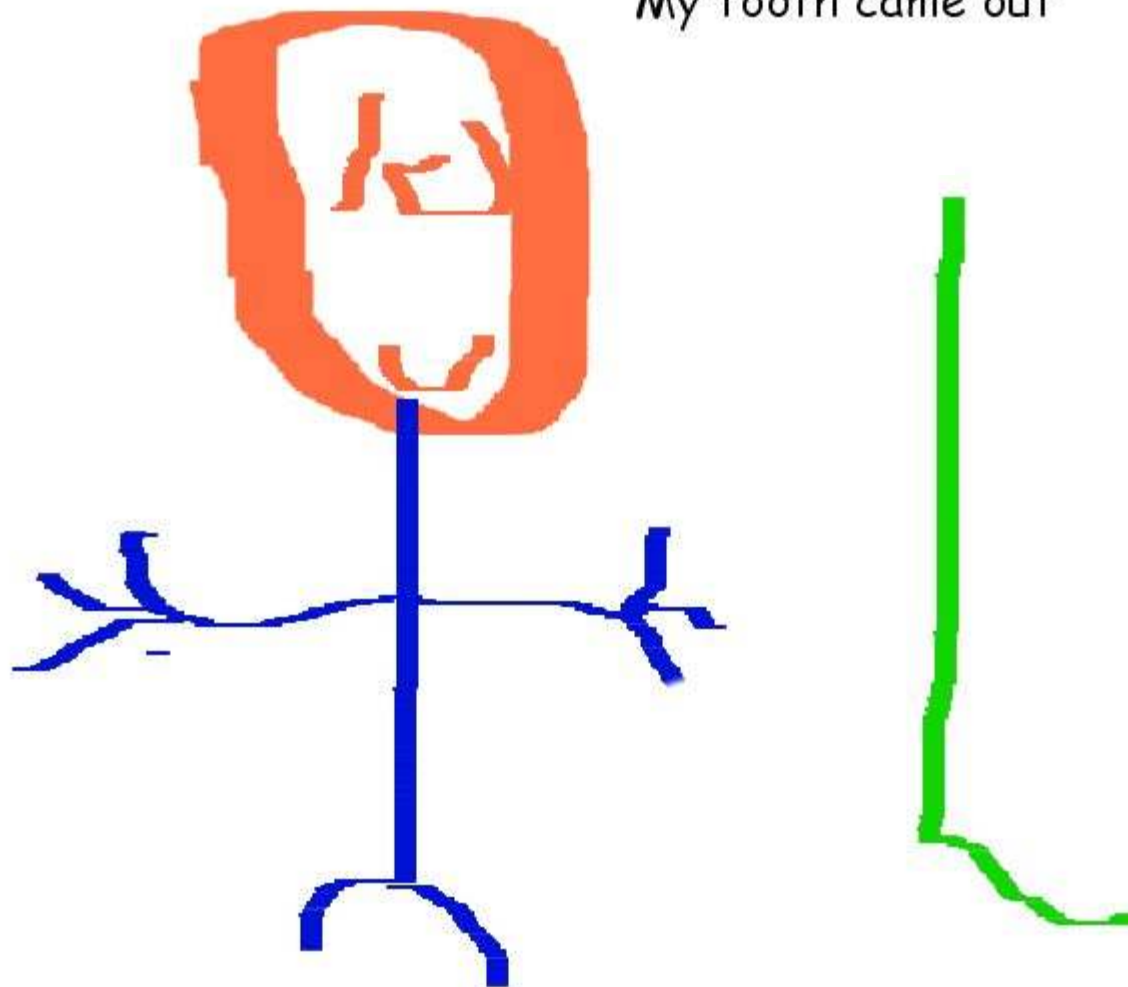

The tooth bounced.

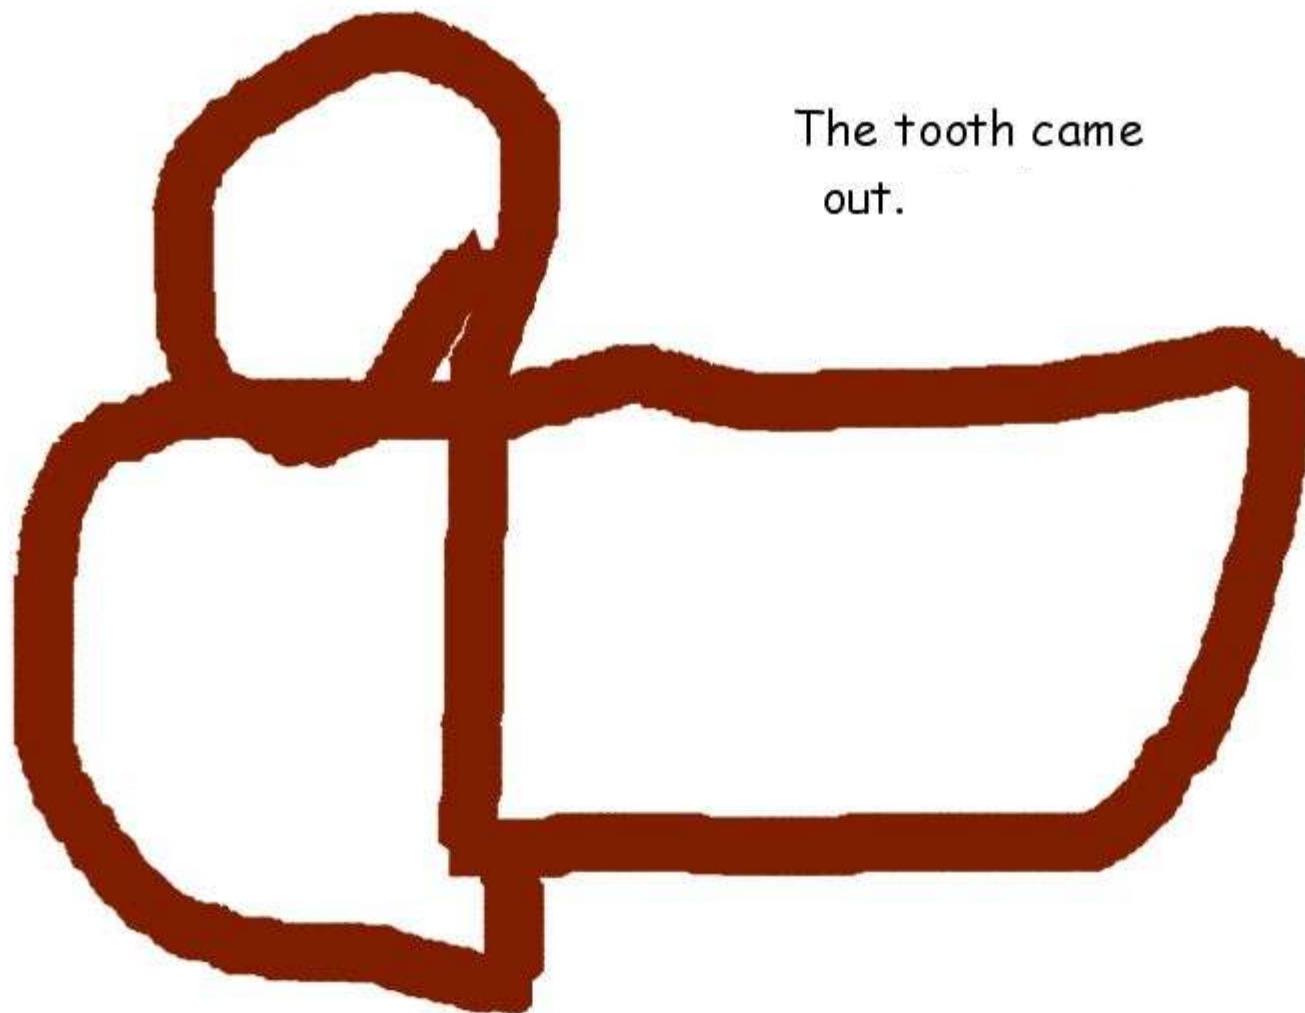

My tooth fell out

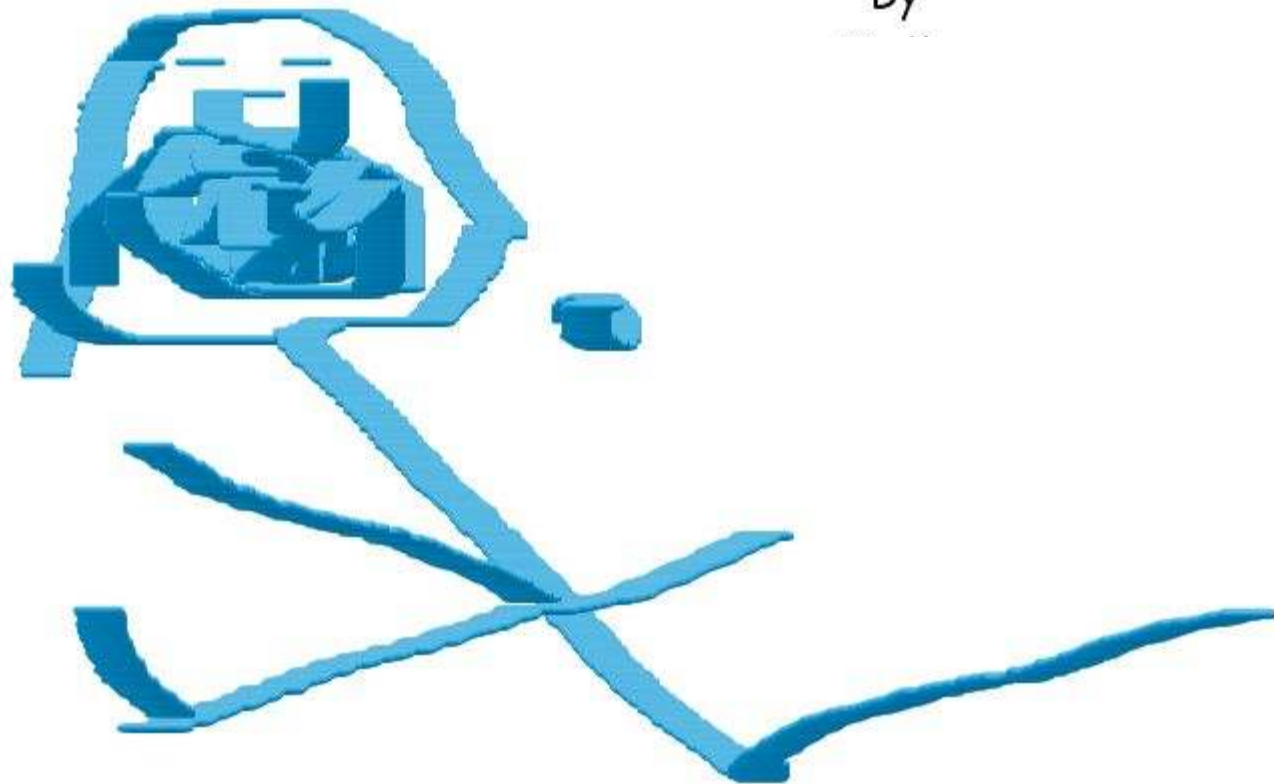

My tooth came out

The tooth came
out.

My tooth fell
out.
