The MONTGOMERY COUNTY STUDENTS AUTOMOTIVE TRADES FOUNDATION, INC. is a nonprofit organization established cooperatively by the Montgomery County business and professional community and Montgomery County Public Schools to provide a unique method of training high school students for skilled positions in the automotive field: the Mini Dealership, a licensed used car dealership. The students receive valuable on-the-job training that will prepare them for higher educational opportunities or direct entry into the automotive job market. The vehicles have been repaired and serviced by the automotive technology and automotive body repair students enrolled at the Thomas Edison High School of Technology, Damascus, Gaithersburg, and Seneca Valley High School. All vehicles are Maryland State Inspected prior to delivery and all vehicles with less than 90,000 miles come with a 30 day or 1,000 mile powertrain warranty. All vehicles with 90,000 or more miles are discounted and sold in "as is" condition. The Mini-Dealership processes all tag and title work. (Tags, title, fees, and sales tax are in addition to the vehicle price.) A \$100 deposit (checks preferred; cash accepted) is required when you decide to purchase a vehicle. The balance of the purchase price is due when you receive the vehicle, within three to five working days. All deposits are non-refundable after one week (5 working days) after sale (December 16, 2011). Individuals who choose to test drive sale vehicles must be at least 21 years of age and have a valid drivers license.
