

Web Production Internship

Hudson Trail Outfitters, LTD., Washington's premier specialty outdoor retailer seeks a Web Production Intern to assist with our busy Graphics and Advertising Department. This is a great opportunity to develop your professional skill set, learn accountability, responsibility, and gain real world experience working for one of the nation's best Outdoor Outfits.

The Web Production Intern will assist the Graphic/Advertising Department with a wide range of activities including:

- Creating website images
- Searching vendor websites or contacting vendors for images and copy for product descriptions
- Maintaining and updating the Website
- Other design/graphics/production requests as necessary

The ideal Production Assistant would possess the following skills, if you do not possess experience in the following, please do not apply:

- Mac OS a must!!
- Adobe Photoshop a must!!
- Copy writing, editing, or proofreading is must!!
- Knowledge about outdoor clothing and equipment a plus!
- Web experience a plus
- Page layout(Quark or Indesign) a plus
- Illustrator a plus

Are you organized, deadline oriented, and highly motivated? Do you have strong written and oral communication skills, and are able to work independently? Do you love the outdoors? We have an immediate position available for you. This internship requires a 3-4 day/week commitment. And for those who are outdoor enthusiasts, we offer a very generous employee discount so you can save on the gear that gets you outdoors. Please send a cover letter, resume, and portfolio samples to 8525 Atlas Drive, Gaithersburg, MD 20877 or employment@hudsontrail.com, Attn: Graphics Manager.

If applying for school credit, please make sure you have all necessary forms and approvals from your school.
