

COLLEGE INSTITUTE

For current juniors who are interested in registering for college classes through the Montgomery College Institute during their senior year, there are several things to remember:

- Complete a Montgomery College application and return to Mrs. Allen in the College Institute Center as soon as possible.
- Keep your WGPA to a 3.5 or higher, and continue to challenge yourself with Honor and AP courses next semester.
- When completing your registration form for next year's courses, the procedure is as follows:
 - 1) Please select 7 classes, and also circle COLLEGE INSTITUTE on the reverse side of the card. This will permit you to have both a "Plan A" and a "Plan B" for your senior schedule, (until information regarding specific college course offerings is available.)
 - 2) Next, please place an asterisk (*) beside those high school classes you would be willing to drop, if necessary, to make room for C.I. Feel free to rank these: (*1), (*2),
 - 3) After reviewing specific course offerings, you & your family will have an opportunity to decide which college courses to enroll in through C.I.
- Register for the SAT as soon as possible. On-line registration is available at www.collegeboard.com

If you have any questions, please call Joanne Allen, College Institute Coordinator at 840-4737 or joanne_f_allen@mcpsmd.org
