

## Students and Parents New to Magruder

In order to help orient students and parents who are new to Magruder High School this year, the following activities are planned:

On **Thursday, August 21**, at 7:30 p.m. a **special parent orientation** for parents of incoming ninth grade students and other students new to Magruder will be held as a general meeting for incoming parents in the auditorium. On the same night a **dance/social** for ninth grade students will also be held in the cafeteria. More details will be provided as the date approaches.

On **Friday, August 22**, a **special orientation program for incoming ninth grade students** will be conducted from 7:25 a.m. to 11:10 a.m. School buses will run their normal morning pickup schedule as shown [here](#). Buses will leave school at approximately 11:10 a.m. to take students home. The orientation program is provided so that incoming students will have the opportunity to meet all their teachers and other school staff, as well as to follow their class schedules prior to the first day of school. It is an excellent time for students to become familiar with the layout of the building in order to minimize the time needed to go from one class to another. The layout of the building can be viewed [here](#). Students other than ninth grade students who are new to Magruder will also be provided an orientation/familiarization program during this morning.

And, finally, Magruder's **Back-to-School Night** will be held **Thursday, September 4**, at 7:00 p.m. We hope that parents of students new to Magruder will make every effort to attend and we look forward to seeing you then.
