

EMERGENCY CONTACT INFORMATION

To provide the school with additional emergency contact names and authorization for student release, please list names and phone/cell numbers of people in the order in which they should be called in the event of an emergency beginning with parent/guardian numbers. Include any special instructions (e.g., call pager and enter pin number at the beep; if voice mail comes on, enter "o" and ask the operator to page me). Please print information carefully to ensure that it is legible. You may include all of your children's names on one form. Include out of area contacts also.
