September 2009

Dear Takoma Park Middle School Families,

This marks the 9th year that Takoma Park Middle School is offering Career Lunch Seminar. We know that children achieve even more when they can see the connection between school and the adult world.

Please consider speaking to our children about your career and how you use the skills you learned in school? Children are truly thrilled to have someone they know and care about be a part of our program. Our goal is to have more variety this year. Any job is a great job for students to explore.

For those who may be nervous about speaking...small groups, only 20 minutes at a time...and a staff member will be present. More detailed instructions will be provided prior to your visit.

We sincerely hope you will be able to participate. We would like to have speakers from all walks of life. **ALL JOBS AND CAREERS ARE VALUABLE!!** It's really a great experience and the students will love it. Please complete the form below and return it to Susan Levine/Carmen Martinez, in the counseling office, as soon as possible. Thank you very much. **This year we have included the dates for Career Lunch Seminar on the back of this letter.** If you could choose a few dates that would work for you, it would help with our planning!

Sincerely,

Susan Levine and Carmen Martinez
