2008-2009 Survey of School Environment – Parent Results

This school enrolls Kindergarten through Grade 5 students.

All families of students in this school were surveyed. - 107 Returned (24%)

Interpretation of this information should take into consideration the number and percentage of survey respondents. Comparisons should also take into consideration the characteristics of school populations. Survey data best represent perceptions of the school environment when response rates are high.

	Strongly Agree	Agree	Disagree	Strongly Disagree
