By the 2nd week in November each cast member will get a costume fee list to bring home. Details about what costume your child will wear and the cost of the costume will be explained on the costume info sheet. This info sheet will also address hair and make-up needs for the actors.

In addition to the costume sheet, each cast/crew member will bring home an ad sheet. Parents please take out an ad in our program. Ads help to diminish the cost of the production, costumes and the cast party.
