

WALT WHITMAN ALL-SPORTS BOOSTER CLUB
Advertising Agreement 2009 - 2010 (Fall, Winter and Spring Seasons)

Dear Friend of Walt Whitman High School,

The Viking Spirit, a glossy, bound and stapled book about our athletic program, is a great way to reach out to more than 1,000 families at Walt Whitman High School. We publish three seasons a year. The Viking Spirit highlights the accomplishments of more than 600 athletes on 38 teams; as well as our great coaches, trainers, team managers, sports writers, film crew, news reporters and photographers, team statisticians, pep band and marching band.

Our teams, which consistently perform well at both the county and state level, always draw enthusiastic crowds and generate lots of excitement. By placing an ad in the Viking Spirit, you will not only help support our students and teams, but also reach out to your neighbors and customers, and give the Walt Whitman All Sports Booster Club a helping hand in their effort to compensate for limited county funds for sports programs.
