

Career Readiness Night

Monday, December 14, 2015

7:00–9:00 p.m.

**Gaithersburg High School
101 Education Boulevard
Gaithersburg, MD 20877**

**For students in Grades 7–10
and their families**

DID YOU KNOW that businesses today have many high-paying jobs that they can't fill? Join us at Gaithersburg High School on Monday, December 14, to find out what these jobs are and how MCPS course pathways can prepare students for success in these exciting careers.

Hear from teachers, students, and representatives from businesses and higher education about opportunities in—

- **Arts, Humanities, Media, and Communications**
- **Biosciences, Health Science, and Medicine**
- **Business Management and Finance**
- **Construction and Development**
- **Education, Training, and Child Studies**
- **Engineering, Scientific Research, and Manufacturing Technologies**
- **Environmental, Agricultural, and Natural Resources**
- **Human and Consumer Services, Hospitality, and Tourism**
- **Information Technology**
- **Law, Government, Public Safety, and Administration**
- **Transportation, Distribution, and Logistics**
- **Jr. Reserve Officers' Training Corps**

Students are invited to attend with their parents.

Free childcare (ages 4 and older) and foreign language interpretation will be provided.
