

HIGHLAND VIEW

Winter Concert

On Friday, February 5, 2016, the Highland View Winter Concert warmed the audience and kept the festive mood of the season alive with the spirited performances by the Instrumental Music students and the Highland View Chorus.

We began the evening with the instrumental portion, led by Ms. MeLinda Ford.

The Advanced Strings, accompanied by Monica Bridgewater and MeLinda Ford, performed “Baa Baa Black Sheep”, “French Folk Song”, “Variations on a Familiar Theme”, and “Pizzicadough”.

The Advanced Band delighted everyone with “Jingle Bells”, “Ode to Joy”, “Up on a House Top”, “Jolly Old St. Nicolas”, and “Variations on a Familiar Theme”.

We continued the evening with the chorus, led by Ms. Sherri Pfaff, Highland View’s General Music teacher. The audience was hooked from the beginning with “All Jazzed Up” and “Autumnal Equinox”. They enjoyed listening to “Winter Canon”, accompanied by the fourth and fifth grade recorder players and fifth grade percussionists. The chorus kept the evening lively with “Minka” and “The Three O’Clock Rehearsal”. We concluded the evening with “Peace Will Come”, which featured Mr. Damian Grasso on guitar, fifth grade percussionists, and Highland View staff choir.

Applause filled the entire room as students and families beamed with Highland View pride at the end of these joyful musical performances.
