

Washington School of Photography Recognizes Winners in 9th Annual All-Montgomery County High School Photography Show

(Bethesda, MD, December 14, 2011) – The [Washington School of Photography](http://www.washingtonschoolofphotography.com), developing photographers since 1976, congratulates the winners in the 9th Annual All-Montgomery County High School Photography exhibit which opened in Bethesda Friday, December 9. The exhibit runs through January 13, 2012. The public is welcome by appointment by calling 301-654-1998.

“With a total of 206 photographs entered, the 2011 exhibit is the most successful to date,” said Washington School of Photography Executive Director Missy Loewe. “Furthermore, the quality of the images has also risen to a new level. We couldn’t be more pleased by the quantity *and* quality!”

First, Second and Third Place winners will also receive a WSP attache and other premium items.

The Washington School of Photography is grateful to the faculty and students who made this year’s exhibit such a tremendous success.

The Washington School of Photography, developing photographers since 1976, provides instruction to approximately 1,400 members of the general public through 140 short courses from introduction to digital photography to advanced studio lighting. More than 100 students annually enroll in our flagship program, a one-year course of study leading to a certificate in professional photography. In 2010, the Washington School of Photography served more than 2,000 individuals.
