The Silver Spring (MD) Chapter Scholarship Program is designed to offer opportunities for all students who are committed to the pursuit of academic excellence through matriculation at a four-year college or university, graduate or professional school, two-year community college or technical school. Our Chapter's scholarship program is grounded in (i) our commitment to enhancing and extending students' knowledge through education and (ii) our commitment to serving the community.

The Silver Spring (MD) Chapter is a part of The Links, Incorporated, one of the nation's oldest and largest volunteer service organizations of extraordinary women who are committed to enriching, sustaining and ensuring the culture and economic survival of African Americans and other persons of African ancestry. The Silver Spring (MD) Chapter has for the past 49 years dedicated itself to serving the residents of Montgomery County and surrounding communities. With an emphasis on youth and families, we have conducted dynamic educational, cultural, civic and health-related community programs and offered scholarships.

The Silver Spring (MD) Chapter awards scholarships based on the following:

- deserving high school student(s) who will enroll in a four-year college/university
- student(s) who are entering/currently enrolled in a graduate school program and/or professional school (medical, law, divinity, etc.)
- female single-head-of-household student(s) who are currently enrolled or will enroll in a four-year college/university program
- student(s) enrolled at a historically black college or university (HBCU)
- current scholarship recipients enrolled at a four-year college/university who have demonstrated academic excellence
- students who enroll in a vocational/technical school (cosmetology, practical nursing, mechanics, culinary arts, etc.) or two-year community college
