Application Procedures

Students seeking admission must complete the attached 2012–2013 Middle School Magnet Program Application and submit it to the program by **November 7, 2011**.

Grade 5 students interested in applying to the Humanities and Communication Magnet Program at **Eastern MS** and/or to the Mathematics, Science, Computer Science Magnet Program at **Takoma Park MS** must live in one of the following high school clusters:

Bethesda-Chevy Chase, Winston Churchill, Downcounty Consortium (Blair, Einstein, Kennedy, Northwood, Wheaton), Northeast Consortium (Blake, Paint Branch, Springbrook), Richard Montgomery, Rockville, Sherwood, Walter Johnson, Walt Whitman, or Thomas S. Wootton.

Students applying to only one program, either Eastern MS or Takoma Park MS, should complete the appropriate sections on the application and submit the application to the correct middle school. Applicants to BOTH programs should complete ALL required sections of the application, photocopy it and send one copy to Eastern MS and one copy to Takoma Park MS.

Grade 5 students interested in applying to the Upcounty Middle School Center Programs (Humanities and Commu-

nication and/or Mathematics, Science, Computer Science) at **Roberto Clemente MS** must live in one of the following high school clusters:

Clarksburg, Damascus, Gaithersburg, Col. Zadok Magruder, Northwest, Poolesville, Quince Orchard, Seneca Valley, or Watkins Mill.

Students applying to only one of the programs at Roberto Clemente MS should complete the appropriate sections in the application and submit the application to Roberto Clemente MS. Applicants to BOTH programs should complete ALL required sections of the application and submit the application to Roberto Clemente MS.

It is recommended that students applying to the Mathematics, Science, Computer Science programs at Takoma Park MS or Roberto Clemente MS will have successfully completed Grade 6 mathematics by the end of Grade 5.

Magnet testing will take place on:

Saturday, December 3, 2011. See page 3 for time and location.

Recommendation Forms

All applicants need two recommendations from two **different** Grade 5 teachers, a mathematics recommendation and an English/language arts recommendation. If an applicant has the same teacher for both English and math, he or she should have the Grade 5 teacher submit the recommendation for one subject and a

Grade 4 teacher submit a recommendation for the other subject. It is the student's responsibility to give both teachers the half sheet Directions for Teacher Recommendations on page 7 of this packet.

ROBERTO CLEMENTE MS

(one or both programs)

Give the appropriate half-sheet teacher directions form to the child's:

- Grade 5 Mathematics Teacher
 Grade 5 English/Language Arts Teacher

Selection and Notification

Admission to each of the magnet programs is very competitive. Highly motivated gifted and talented students are encouraged to apply. Multiple criteria are used to evaluate candidates, including teacher recommendations, written statements from candidates and their parents, previous grades and course work, test scores, and cocurricular interests and achievements. Notification of selection deci-

sions will be made by mail to all applicants' homes in early February 2012.

It is recommended that students applying to the Mathematics, Science, Computer Science programs at Takoma Park MS or Roberto Clemente MS will have successfully completed Grade 6 mathematics by the end of Grade 5.

Wait Pool

One hundred students are invited to attend each of the magnet program sites every year. An additional group of students is identified for a wait pool. Invitations are extended to wait

pool students on a space available basis. The wait pool is not ranked, and students' files are evaluated as vacancies become available.

Appeals Process

Parents of students who are not invited to attend the magnet program may request a review of the decision. This request must be submitted in writing to the appropriate coordinator

of the magnet program no later than the date posted in the notification letter.

Filling Out Your Magnet Application

Completion of this application could set in motion a process that will culminate next fall in your arrival at one of the magnet programs, where you will meet new friends, explore your talents, interact with students from diverse cultural backgrounds, and perhaps most important, expand your options for the future.

We encourage you to consider the following suggestions as you complete your application:

1. Your application file represents you to the Review Committee members. The care and thought with which you complete your application are revealed by such things as correct spelling and punctuation, legible handwriting, and attention to the intent of the question. Lack of care and thought causes reviewers to question your commitment to the task, and in turn, your probable commitment to the magnet program.
2. Reviewers will be looking for evidence of potential in several areas. These include—
 - a. Communication skills demonstrated by your written responses to questions;
 - b. Interpersonal skills demonstrated by evidence of understanding of viewpoints other than your own, acceptance of both leader and follower roles, and promotion of cooperative behaviors among peers; and
 - c. Performance ability demonstrated by activities such as computer programming, musical performance, construction of models, etc.

3. Reviewers will look for evidence of your willingness to accept challenges, demonstrate motivation and task commitment, and attack problems creatively.
4. Your application is supported by the recommendation forms completed by your teachers. Remember that these people are very busy. Please allow them sufficient time to complete the forms carefully.
5. Let your personality emerge from your file. Let the reviewers "see" your sensitivity, sense of humor, and insight. Remember, this file is the only way they can learn about you.

We hope that you will take advantage of the informational evenings for parents and students to learn more about program curriculum and the application process.

- October 3, 2011, 7:00–8:30 p.m. at Takoma Park MS
- October 13, 2011, 7:00–8:30 p.m. at Roberto Clemente MS
- October 25, 2011, 7:00–8:30 p.m. at Eastern MS

Regardless of the outcome of your application, we hope that the process of applying to one or more of the magnet programs will be a positive experience for you. Use this time to think carefully about your own educational goals and examine and celebrate your talents.

2012–2013 Middle School Magnet Program Application

Only paper copies will be accepted. Electronic applications or faxes will NOT be accepted by any program.

If applying to both Eastern MS and Takoma Park MS, separate applications must be submitted.
