

MCPS RECYCLES

EVERY DAY

Recycling happens 24/7, 365 days a year. Make sure that recycling bins are always available throughout the year for—

- ICB, ELO, BELL, ESY and Head Start programs;
- School breakfast programs; and
- Summer school and camps.

To avoid contamination, recycling dumpsters should be locked at all times and should only be unlocked when recycling materials are being placed into the dumpster.

If you have any questions about recycling, need an extra pick-up, or if your dumpsters need to be repaired, contact the SERT recycling manager, John Meyer, by phone (240-314-1090) or by e-mail (recycling@mcpsmd.org).
