## STUDENT ASSIGNMENT BOOK GRADES 3-5

For students in grade 3-5, our school has produced a student assignment book that is available for student purchase. This assignment book is not graded or used as a hall pass, but is used by teachers to help your child track his/her assignments and let you know of assignments that are due. While this is a voluntary purchase, we strongly believe that a student assignment book is a valuable organizational tool to help you and your child monitor completion of assigned tasks. If you do not want your child to purchase the school's assignment book, please provide a tool your child can use for the same purpose. Assignment books will be on sale during the open house in August. Make checks payable to Cedar Grove E.S. They will also be available for sale from your homeroom teacher.
