The PTA is YOUR organization. It provides a voice for the parents, a voice for the teachers, support for the teachers, and extras for the students- - which all contribute to making CCES such a special place. Did you know that the PTA is staffed entirely by busy parents and teachers, just like you? We're responsible for all of the items above, just to name a few! Many thanks to the families that have already joined the PTA. But if you haven't joined yet, there is still plenty of time to get involved. Fill out this form. Send in a check. Consider volunteering! We have events throughout the year that need staffing, committees to chair, new ideas to pursue. If you don't have time, then write a check (*and make it a big one!*).

Membership comes with it's own rewards. It gives you a voice. If you've got something to share, good or bad, let us know:
