

Summer School at MLK

The following courses will be offered by invitation only this summer:

- Focus on Algebra July 6—24, 2009
- Focus on IM July 13—31, 2009
- Focus on Math B July 13—31, 2009
- Support Reading 6 July 6—31, 2009
- Support Reading 7 July 6—31, 2009

The following course will have open enrollment and is available to all **incoming 6th and 7th grade students** attending MLK next year:
Lights, Camera, Literacy!

Students who are being considered for summer school are currently being identified. Letters will be sent out within the next month and phone calls will be made to encourage students to sign up for these support or accelerated courses.

The goals for summer school this year are to provide extended instructional time for students who want to accelerate their learning, strengthen their skill base, and enhance their knowledge of curriculum as measured by the MSA. Summer school is a valuable opportunity for students to become better prepared for the following school year.

Summer school will take place between July 6, 2009 and July 31, 2009. The Support and LCL classes are 4 week courses. The Focus courses are 3 week courses. The hours are 7:45–11:30.

Additional summer school information will be provided, so be on the look out! Please contact the summer school coordinator, Michelle Gately, if you have any questions by calling the school or email:
