

Mr. Levine's Message

Greetings Baker Bulldogs Families!

It is with great excitement that we officially welcome you to a new school year!

Our staff has been hard at work throughout the summer and our pre-service week to create a welcoming learning environment, and to plan powerful community building and learning experiences for all students. We are excited for your students to return next week!

I am truly grateful to be a member of the John T. Baker Middle School Community, and very much look forward to working with you this school year to ensure a successful and positive experience for your child.

Please do not hesitate to contact me if you have any questions or if I can ever be of assistance.

Thank you for your support and partnership.

Have a great school year!

John T. Baker Middle School Chromebook Policy & Procedures 2024-2025

This year, all students will be issued an MCPS chromebook for use at school. Students will pick up their chromebooks in the morning, use them throughout the day, then return them at the end of their 8th period class to be charged. Students should use a chromebook case or string backpack to carry their device. Cases are available upon request.

If your child needs use of a device at home for schoolwork, you are able to request a home-use device using the link provided here: <https://docs.google.com/forms/d/e/1FAIpQLSdDNdqO31soXKLffjcEzgVQ9C2Z2koPm6ifKm7-K77e44Zhg/viewform>

“Each student is financially responsible for damage caused or loss of any Chromebook and charger that is checked out to the student. The device is loaned to the student to be used for instructional purposes only and in accordance with [MCPS Regulation IGT-RA, User Responsibilities for Computer Systems, Electronic Information, and Network Security](#). No cost is associated for a student to borrow, possess, or use an MCPS Chromebook. A family is only financially responsible when there is avoidable damage to the device. If the device is faulty, there is no charge to the family; however, if the damage is considered avoidable or the device or charger is lost, the family will be charged according to [MCPS current parts and replacement costs](#)” (Memo 240718).

Please remind your child to promptly report any damage or issues with their school-assigned device to their Period 8 teacher or to the school media specialist. Thank you for your support of our instructional technology device policy.

Middle School Fall Interscholastic Athletics

Registration for fall sports is open. The middle school interscholastic athletics program is available for students in seventh and eighth grade only.

If your son or daughter is interested in Boys’ Softball, Girls’ Softball, or Co-Ed Cross County, please take a look at the Baker website under Afterschool sports for directions on how to sign them up for the upcoming season. The season starts on September 10.

All students who want to participate in sports, as part of the MCPS interscholastic athletics program, must have their Parent/Guardian complete the online registration process by going to [ParentVue Portal](#) in order to participate. All forms must be up to date in order to be able to participate. **There are no exceptions.**

Parents/Guardians who have difficulty with registration (forgot Login or Password), please contact: Bonnie Nichols at Bonnie_J_Nichols@mcpsmd.org

Any other difficulties please contact Scott.Frye@mcpsmd.net

Some helpful tips when you are trying to register your student/athlete

When you are in [ParentVue Portal](#) you will need to click on “Online registration” in the upper right hand corner. Then from

the 4 drop downs choose “Middle school registration”. From there, please follow along and fill out all of the information. During your registration it will ask you to upload a copy of their physical. After you are finished please **HIT SUBMIT**.

Here is the biggest item for online registration.

You must also have a physical in order to participate. Your physical proof must be filled out on the MCPS [SR-8 Physical Form](#) only. **No other forms will be accepted.** Proof of your physical **MUST** be submitted through your [ParentVue Portal](#).

You cannot tryout for a team until the registration and your physical are up to date and the physical is filled out on the SR-8 physical form only.

There are tryouts for all interscholastic sports teams (which means there will be cuts).

MONTGOMERY COUNTY PUBLIC SCHOOLS 2024–2025 CAFETERIA NEWS & MEALS INFORMATION

Children need healthy meals to learn. The Division of Food and Nutrition Services serves more than 18 million meals annually. We support healthy meal options for students and continually explore new ways to enhance the nutritional contribution and student acceptability of meals.

Parents/guardians are responsible for school cafeteria account balances incurred by their student(s). Payment is expected, in cash or through prepayment to the student’s school cafeteria account, at the point of sale at the time of purchase, or through an online prepayment system at any time. The cafeteria continues to offer the convenience and flexibility of a computerized cash register system. Depositing funds into a cafeteria account eliminates the need for a child to carry money every day. **All Students now use their MCPS Student Identification Number to access their account** (Schools may also utilize barcodes on student ID cards or elementary meal cards which may be scanned at the register). Any money left on a student’s account from the prior school year is available for spending. Pre-payments to a student’s account may be made prior to the start of school.

To make a prepayment:

- Use MySchoolBucks.com, an online service to make a prepayment using a credit card. Parents can also check meal account balances, sign up for recurring payments and much more. Go to MySchoolBucks.com to register.
- Complete the form below and include a check or money order payable to the cafeteria. See check acceptance policy below.

To request a refund or a balance transfer for a student no longer enrolled in MCPS, email DFNSHelpDesk@mcpsmd.org

Check Acceptance Policy: Checks used to pay for meals must contain: name, address, phone number and student ID number. Returned checks are subject to recovery for the face value and Maryland State allowed fee of \$25 through an electronic debit or paper draft to the same account. Your payment by check constitutes your acceptance of these terms. If you have any questions concerning our check acceptance policy, please call CHECKredi at 1-800-239-1222.

MCPS Meals Policy

Policy JPH: Food and Nutrition Services Program outlines programs and efforts to address childhood hunger in Montgomery County, meal payment procedures, and the repayment of negative balances incurred by students in the cafeteria. For more information please visit our website.

This institution is an equal opportunity provider.

MEAL PRICES

- **Breakfast Meal \$1.30**
- **Elementary School Lunch Meal \$2.55**
- **Middle and High School Lunch Meal \$2.80**

Children in Maryland that are approved for reduced-price meals will not be charged the cost of meals.

A LA CARTE FOODS AND BEVERAGES AVAILABLE FOR PURCHASE IN ADDITION TO BREAKFAST AND LUNCH

A variety of a la carte items may be available in your student’s school cafeteria. All items available for sale follow *JPG-RA Wellness: Physical and Nutritional Health*. Specific items vary at each school. For specific information regarding items available at your child’s school or to restrict the purchase of a la carte items, please contact your school cafeteria manager.

FREE AND REDUCED-PRICE MEAL APPLICATIONS

Families who meet certain federal income standards are eligible for free or reduced-price meal benefits. All children use their student ID number so confidentiality is maintained and no child is overtly identified as receiving free or reduced-price meals. Households are encouraged to **apply online at MySchoolApps.com as processing times are significantly decreased.** A paper application may also be requested from your child’s school. Only one application is needed for all students in a household. A new application must be completed annually.

FOOTNOTES

Requirements for the 2024-25 school year are:

- 2 doses of Varicella vaccine for entry into kindergarten, 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, and 10th grades.

Instructions: On the chart locate the student's age or grade and read from left to right on the chart to determine the NUMBER of required vaccinations by age or grade. Dosing or spacing intervals should not be considered when determining if the requirement is met, only count the number of doses needed. MMR and Varicella vaccination dates should be evaluated (See footnote #4).

1. If DT vaccine is given in place of DTP or DTaP, a physician documented medical contraindication is required.
2. Proof of immunity by positive blood test is acceptable in lieu of vaccine history for hepatitis B, polio, and measles, mumps, rubella and varicella, **but revaccination may be more expedient.**

Medical diagnosis of varicella disease is acceptable in lieu of vaccination. Medical diagnosis is documented history of disease provided by a health care provider. Documentation must include month and year.
6. Four (4) doses of DTP/DTaP are required for children less than 7 years old. Three (3) doses of tetanus and diphtheria containing vaccine (any combination of the following — DTP, DTaP, Tdap, DT or Td) are required for children 7 years of age and older. One dose of Tdap vaccine received prior to entering 7th grade is acceptable and should be counted as a dose that fulfills the Tdap requirement.
7. Polio vaccine is not required for persons 18 years of age and older.

Notification of Rights Under the Protection of Pupil Rights Amendment (PPRA)

This notice informs parents/guardians and eligible students (emancipated minors or those 18 and older) of their rights regarding conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These rights are spelled out in the *Protection of Pupil Rights Amendment* (20 U.S.C. § 1232h; 34 CFR Part 98). The law and regulations require educational institutions, such as Montgomery County Public Schools (MCPS) to notify parents/guardians and eligible students of their right to—

1. *Consent* before students are required to submit to a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education (USDE):
 - Political affiliations or beliefs of the student or student’s parent/guardian
 - Mental or psychological problems of the student or student’s family
 - Sexual behavior or attitudes
 - Illegal, antisocial, self-incriminating, or demeaning behavior
 - Critical appraisals of others with whom respondents have close family relationships
 - Legally recognized privileged relationships, such as with lawyers, doctors, or ministers
 - Religious practices, affiliations, or beliefs of the student or parents/guardians
 - Income, other than as required by law to determine program eligibility
2. *Receive notice and an opportunity to inspect* any third party survey, protected information survey, instrument collecting student information for the purposes of marketing or selling such information, or instructional material used as part of the student’s educational curriculum.
3. *Receive notice and an opportunity to opt a student out of—*
 - **any other protected information survey, regardless of funding;**
 - **any nonemergency, invasive physical exam or screening required as a condition of attendance administered by the school or its agent and not necessary to protect the immediate health and safety of a student, except for lead, hearing, or vision screening, or any physical exam or screening permitted or required under state law; and**
 - **any activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.**

MCPS developed and adopted policies regarding these rights, as well as arrangements to protect student privacy in the administration of protected surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. MCPS will directly notify parents/guardians and eligible students of these policies at least annually at the start of each school year and after any substantive changes.

MCPS also will directly notify parents/guardians and eligible students, by U.S. mail or e-mail, at least annually at the start of each school year, of the specific or approximate dates of the following activities and provide an opportunity to opt a student out of participating in—

- collection, disclosure, or use of personal information for marketing, sales, or other distribution;
- administration of any protected information survey not funded in whole or in part by USDE; and
- any nonemergency, invasive physical examination or screening as described above.

Annual Notification of Your Rights under FERPA*

As a parent/guardian of a MCPS student, you have certain rights regarding your child's education records under the *Family Educational Rights and Privacy Act* (FERPA), applicable federal regulations, and the *Code of Maryland Regulations* (COMAR) 13A.08.02. These rights are summarized below and described in more detail in Montgomery County Public Schools (MCPS) [Regulation JOA-RA, Student Records](#), www.montgomeryschoolsmd.org/departments/policy/pdf/joara.pdf.

- 1. Review of Student Records.** You have the right to inspect and review your child's education records no later than 45 days after the school receives your written request. It is the goal of MCPS that schools should comply, whenever practicable, within 10 days after receiving a written request and prior to any hearing relating to the identification, evaluation, or placement of the student. The school will make arrangements for access and notify you of the time and place where your child's records may be inspected. The principal/designee will be present during this review.
- 2. Amendment of Student Records.** If you believe your child's records are inaccurate, misleading, or in violation of your child's privacy rights, you have a right to make a written request for the school to amend the records. MCPS Regulation JOA-RA, *Student Records*, outlines procedures for addressing these requests including hearings, as appropriate. Grades are not subject to challenge under this provision.
- 3. Disclosure of Student Records.** You have the right to provide written consent before MCPS discloses personally identifiable information from your child's education records, unless federal law or state law specifically authorizes disclosure without consent. Guidelines for release of directory information, as well as the opportunity to opt-out from this release, are referenced on the other side of this form. In addition, please note that consent is not required for disclosures to school officials with legitimate educational interests,** including administrators, teachers, or other staff employed by MCPS, as well as others acting on behalf of MCPS who need access to fulfill their job responsibilities, such as: School Health Services Staff and other health professionals who work with schools; school security personnel; a Montgomery County Board of Education member; a person, organization, or company under contract with MCPS to perform a service or function for which MCPS would otherwise use its own employees (such as attorneys or auditors); or a parent/guardian or other volunteer serving on a MCPS committee or helping other school officials perform their tasks.
 - Upon request, MCPS also discloses education records without consent to officials of other schools, school districts, or institutions of postsecondary education, if the disclosure is for purposes of the student's enrollment in or transfer to that school, school district, or institution of postsecondary education. In addition, MCPS may lawfully disclose personally identifiable information from student records, without your prior written consent, for other reasons authorized by FERPA, including to specified governmental agencies, for approved research projects, in compliance with a judicial order or a lawfully issued subpoena, or in a health or safety emergency.
 - Additional information may be found in [MCPS Regulation JOA-RA, Student Records](#), available on the MCPS website or at your local school.
- 4. Complaint to the U.S. Department of Education.** If you believe your rights under FERPA have been violated and efforts to resolve the situation through MCPS appeals channels have not proved satisfactory, you have the right to file a complaint with the Family Policy Compliance Office in the U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5920 or call 1-800-USA-LEARN (1-800-872-5327).

* Rights of Eligible Students. The rights described above transfer to a student who is 18 years old or is attending a postsecondary education institution; parents/guardians of dependent eligible students, however, may access their child's records without prior consent of the eligible student.

** School officials have a legitimate educational interest if the officials need to review an education record in order to fulfill their professional responsibility.

Esta notificación les informa a los padres/guardianes y a los estudiantes elegibles (menores emancipados y estudiantes mayores de 18 años) sobre sus derechos en cuanto a la realización de encuestas, la recopilación de información y su uso para fines comerciales, y ciertos exámenes físicos. Estos derechos se definen en *Protection of Pupil Rights Amendment* (20 U.S.C. § 1232h; 34 CFR Part 98).  - Afiliaciones o creencias políticas del estudiante o del padre/madre/guardián del estudiante
 - Problemas mentales o psicológicos del estudiante o de la familia del estudiante
 - Comportamiento o actitudes sexuales
 - Conducta ilegal, antisocial, auto incriminatoria o degradante
 - Críticas por parte de quien responde a la encuesta hacia personas que son sus parientes cercanos
 - Relaciones privilegiadas reconocidas por la ley, como aquellas con un abogado, un médico o un pastor/ministro/sacerdote
 - Prácticas, afiliaciones, o creencias religiosas del estudiante o de sus padres/guardianes
 - Ingreso, excepto según lo exige la ley para determinar elegibilidad para programas
2. *Recibir notificación y tener la oportunidad de revisar* cualquier encuesta de terceros, encuesta de información protegida, instrumento que recoge información del estudiante con fines comerciales o para vender dicha información, o materiales de instrucción usados como parte del curriculum educativo del estudiante.
3. *Recibir notificación y tener la oportunidad de que el estudiante opte por no participar en—*
 - **cualquier otra encuesta sobre información protegida, sin importar el financiamiento;**
 - **cualquier examen que no sea de emergencia, examen físico invasivo, o estudios exploratorios que se requieren como una condición de asistencia escolar administrados por la escuela o por su agente y que no son necesarios para proteger la salud y la seguridad inmediata de un estudiante, excepto para estudios de detección de plomo en la sangre, de audición, o de la vista, o cualquier examen o estudio físico permitido o exigido bajo la ley estatal; y,**
 - **cualquier actividad que conlleve la recolección, divulgación, o uso de información personal obtenida de estudiantes con fines comerciales o de venta, o que de alguna otra manera transmita información a terceros.**

MCPS desarrolló y adoptó políticas relacionadas con estos derechos, así como también disposiciones para proteger la privacidad del estudiante cuando se administran encuestas protegidas y en la recopilación, publicación, o uso de información personal con fines comerciales, de venta, u otros propósitos de distribución de información. MCPS notificará directamente a los padres/guardianes y a los estudiantes elegibles con respecto a estas políticas por lo menos una vez al año al inicio de cada ciclo escolar y después de haber realizado cambios sustanciales.

MCPS también notificará directamente a los padres/guardianes y a los estudiantes elegibles, por correo regular o por correo electrónico, por lo menos una vez al año al inicio de cada ciclo escolar, sobre las fechas específicas o aproximadas de las siguientes actividades y proporcionará la oportunidad de retirar la participación de un estudiante en—

- la recopilación, publicación o uso de información personal con fines comerciales, de venta, u otro tipo de distribución de información;
- la administración de cualquier encuesta de información protegida que no sea financiada de manera total o parcial por USDE; y
- cualquier examen físico o estudio exploratorio invasivo que no sea de emergencia, como se describió más arriba.

Notificación Anual de Sus Derechos bajo FERPA*

Como padre/madre/guardián de un estudiante de MCPS, usted tiene ciertos derechos con respecto a los registros educativos de su hijo/a bajo la Ley de Derechos Educativos y Privacidad de la Familia (FERPA), regulaciones federales aplicables y el Código de Regulaciones de Maryland (COMAR) 13A.08.02. Estos derechos están resumidos a continuación y están descritos en más detalle en el [Reglamento JOA-RA de Montgomery County Public Schools \(MCPS\)](#), [registros del Estudiante](#), www.montgomeryschoolsmd.org/departments/policy/pdf/joara.pdf.

- 1. Revisión de registros del Estudiante.** Usted tiene derecho a examinar y revisar los registros educativos de su hijo/a a más tardar 45 días siguientes a la fecha en que la escuela reciba su solicitud por escrito. Es la meta de MCPS que las escuelas cumplan, cuando sea factible, dentro de 10 días siguientes a la fecha de recibo de una solicitud escrita y antes de que se lleve a cabo cualquier audiencia relacionada con la identificación, evaluación o ubicación del estudiante. La escuela hará los arreglos necesarios para acceso y le avisará a usted sobre la fecha y el lugar donde usted podrá revisar los registros de su hijo/a. El director de la escuela/su designado estará presente durante esta inspección.
- 2. Enmienda a registros del Estudiante.** Si usted cree que los registros de su hijo/a están incorrectos, confusos, o violan los derechos de privacidad de su hijo/a, usted tiene el derecho de solicitar por escrito que la escuela enmiende los registros. El Reglamento JOA-RA de MCPS, registros del Estudiante, detalla los procedimientos para abordar estos pedidos incluyendo audiencias, según corresponda. Bajo esta disposición, las calificaciones académicas no están sujetas a objeción.
- 3. Divulgación de registros del Estudiante.** Usted tiene derecho a dar consentimiento por escrito antes de que MCPS divulgue información de identificación personal proveniente de los registros educativos de su hijo/a, a menos que la ley federal o estatal autorice específicamente que se divulgue sin consentimiento. Las pautas para divulgar información del directorio, como también la oportunidad de retirar su permiso sobre esta divulgación, se referencia al dorso de este formulario. Además, por favor tenga presente que no se requiere consentimiento para divulgaciones a funcionarios escolares con intereses educativos legítimos,** incluyendo administradores, maestros u otro personal empleado por MCPS, así como otras personas que actúen en nombre de MCPS y que necesiten acceso para cumplir con sus responsabilidades de trabajo, tales como: Personal de Servicios de Salud Escolar y otros profesionales de la salud que trabajan con las escuelas; personal de seguridad escolar; un miembro del Consejo de Educación del Condado de Montgomery; una persona, organización, o compañía contratada por MCPS para realizar un servicio o función para la cual MCPS de otra manera usaría sus propios empleados (tales como abogados o auditores); o, un padre/madre/guardián u otro voluntario que sirve en un comité de MCPS o que ayuda a otros funcionarios escolares a desempeñar sus tareas.
 - A pedido, MCPS también revela registros educativos sin consentimiento a funcionarios de otras escuelas, distritos escolares o instituciones de estudios pos-secundarios, si esta acción es para fines de matricular el/la estudiante o para una transferencia a esa escuela, distrito escolar, o institución de estudios postsecundarios. Además, MCPS puede legalmente revelar información de identificación personal proveniente de los expedientes escolares, sin su previo consentimiento por escrito, por otras razones autorizadas bajo FERPA, incluyendo a agencias gubernamentales específicas, para proyectos de investigación aprobados, en cumplimiento de una orden judicial o una citación judicial legalmente emitida, o en una emergencia de salud o de seguridad.
 - Se puede encontrar información adicional en el [Reglamento JOA-RA de MCPS](#), [registros del Estudiante](#), disponible en el sitio de Internet de MCPS o en su escuela local.
- 4. Queja ante el Departamento de Educación de los Estados Unidos.** Si usted cree que se han violado sus derechos bajo FERPA y los esfuerzos realizados para resolver la situación mediante las vías de apelación de MCPS no han resultado satisfactorios, usted tiene derecho a presentar una queja a Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5920, o llamando al 1-800-USA-LEARN (1-800-872-5327).

* Derechos de Estudiantes Elegibles. Los derechos descritos anteriormente se transfieren a un estudiante mayor de 18 años o que está asistiendo a una institución educativa postsecundaria; los padres/guardianes de estudiantes dependientes elegibles, sin embargo, pueden acceder a los expedientes de su hijo sin previo consentimiento del estudiante elegible.

**Los funcionarios escolares tienen un interés educativo legítimo si el funcionario necesita revisar un expediente educativo para poder cumplir con su responsabilidad profesional.
