## Learning is Always Fun!

Fall Programs are coming to a close at the Gaithersburg Judy Center, but we will end 2022 with a full calendar of activities for the whole family!

Our **Sing, Soothe & Sleep Class** on December 5th with Lenore Blank was a huge success! Judy Center children in their new PJs from Bedtime in a Box signed in online with PreK students from Summit Hall and Washington Grove to learn ways to relax before bedtime with a song and soothing body massage!

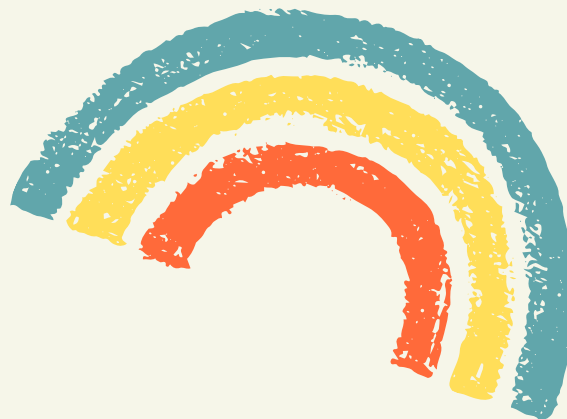

PreK students at Summit Hall have been learning about Community Helpers during the month of December. Each class will take a field trip to the Gaithersburg Fire Department during the week of December 12th-16th.

PreK and K students at Washington Grove will enjoy a special performance from Natasha Mirzny entitled **The Birds Nest**. This is an Interactive Play with live music about the Life Cycle of a Bird. Students will also learn about the seasons and enhance their Spanish & English vocabulary.

**Learning Parties** will end on December 6th. Families have learned strategies to support their child's healthy social-emotional development with Maribel De La Cruz.
