

Ashburton Elementary School

6314 Lone Oak Drive, Bethesda, MD 20817 * 240-740-1300

Student Supply List

Students will not be asked to pay for or provide textbooks, supplementary readers (such as anthologies, atlases, or workbooks), most materials of instruction, audiovisual aids, stationery items not commonly found in the home and required for the student to demonstrate mastery of course objectives, or building or office materials needed to operate schools.

Students may be asked to pay for materials of instruction that primarily fit into three categories as follows:

- Items eaten by the student as part of the course (example: bread baking ingredients).
- Component parts of a product that will become student property (example: sculpting clay).
- Materials of instruction or items of personal use that become the property of the student (example: recorder).

We suggest that students bring individual organizational tools and personal supplies from home. In addition, there are student fees which are not course-related but local school decisions made by the principal in collaboration with the school and parent leadership. These may include fees for class snacks, special grade-level assemblies, etc. There also may be fees related to field trips, but these will be shared each time there is a trip and not in advance as a school fee.

We are committed to providing all students, regardless of their economic circumstances, with full access to the instructional program. If you need assistance for any requested expense, or with providing the organizational tools and personal supplies, please contact your child's teacher, our counselor, our administration or me.

Parent donations of items that enhance the classroom experience are still welcomed, either as donations from individual parents or organized by parents or the PTA. A list of these items is included on the Student Supply Item List. They are not required donations, and no student will be expected to provide these items, but if you care to contribute, it will be appreciated.

Student Planners:

As a whole-school initiative, our school has produced a student planner that is available for student purchase. This planner is not graded or used as a hall pass, but it is used by teachers to help your child track his/her assignments and to let you know of assignments that are due. While this is a voluntary purchase, we strongly believe a student planner is a valuable organizational tool to help you and your child monitor completion of assigned tasks. If you do not want your child to purchase the school's planner, please provide a tool your child can use for the same purpose. Ashburton will sell the planners in the fall; teachers will give information on the first day of school. It will cost approximately \$3.00.

Sincerely,

Greg Mullenholz, Principal

Ashburton ES
