**HALEVEL UP**  
TRAINING YOUTH TO THE NEXT LEVEL

## About The Program:

Hosni Ali, Head Coach & Founder of HALEVEL UP 501(c)3 has a background in teaching, coaching, providing therapeutic recreation to toddlers and youth with behavioral and mental health conditions and conducting basketball skills training for over a decade. He has also played professionally overseas for several years in China, India, Egypt, and Italy. His approach to training emphasizes age and skill appropriate drills. He is an expert in the field of basketball with a desire to teach the game to youth, all while being a positive role model to each of his clients. In person training is mainly conducted at Burtonsville Elementary Schools.
