For the younger children, please place the money in an envelope and write the teacher's name and child's name on the front of the envelope, then send it back to school with your child.

For Wish List Flyer orders, please don't forget to include 6% tax to the total sales. All checks should be payable to CGES PTA.

Give a helping hand to our school community and others in the country by encouraging your child to participate in the Scholastic's One for Books Donation drive! Monies we collect are used in our community to help put books into the hands of those who may not be able to afford one. Also, for every \$1.00 collected, Scholastic donates ONE book to their established charities. As an added incentive, students who donate 50 cents will receive a raffle ticket for a chance to win a display poster from the book fair. Winners are announced on Friday, April 8th at 3:15 pm. Please support your child's participation!

CGES PTA donates \$50 worth of books to each classroom teachers and the media center. Should you want to make a direct contribution to your child's classroom library, please check the teachers' Wish List at the book fair .
