

DIAMOND MINE

Diamond Elementary School
MAY 2024

Dear Diamond Families,

We are in the home stretch to the 2023-2024 school year. The last marking period has been moving along quickly and extremely busy! The month of May is busy with field trips, end of the year assessments for grades K-5, state testing assessments for grades 3-5, and PTA events including our annual International Night, which will be held on Friday, May 5th from 6:00-8:00 pm.

Our building recently changed over the air units from heating to air-conditioning. Students should dress in layers and are encouraged to bring a sweatshirt or sweater to leave in class, especially since we have experienced several cold temperatures in the past few days or due to the building cooling system.

We wish all Diamond ES families a wonderful, relaxing and enjoyable Memorial Day weekend with family and friends! If you have any questions, please contact the main office at 240-740-2120.

Sincerely,

Daniel Walder
Principal

Leader In Me Social-Emotional Curriculum May– Habit 7– Sharpen the Saw

Understanding the Habit

In a nutshell this habit means:

- Sharpen the Saw means to have balance in your life. The story is that a man was sawing down a tree and not making much progress. When asked why he didn't stop to sharpen his saw, he answered that he was too busy. Habit 7 reminds us that we are more productive when we are in balance: body, brain, heart, and soul. If one area is being ignored or overused, the rest will feel the results. A good analogy is a car needing all four tires; as leaders of themselves, they need to take care of all four parts of themselves.
- Habit 7 will teach students to:
 1. Demonstrate healthy ways to express needs, wants, and feelings.
 2. Develop strong intrapersonal skills, self-reliance, self-confidence, and self-discipline.
 3. Demonstrate characteristics of a responsible friend and family member.
 4. Recognize the relationship between personal behavior and individual well-being.
 5. Strive to be healthy for life.
