Next week we will hold Safe at School Week. Every year we practice a number of security drills to ensure that staff and students know how to stay safe at school. We will hold a fire drill the first week of school. The second week of school is Safe at School Week. Every day students will learn about safety procedures and practice an individual safety drill. We will conduct four total drills next week including a lock down drill, and earthquake drill, a reverse evacuation, and shelter drill. By working together we can ensure that all of our students are safe at school!

Welcome Back!

As we approach the beginning of the 2024-2025 school year, I would like to take this opportunity to welcome all of you. I trust that you are having an enriched summer filled with fun, sun, relaxation, and reading. It is nearly time for us to return to school and begin another year together.

I look forward to the new school year with excitement and anticipation. Over the past twelve years, the staff and I have worked together to build a special place for students to learn and grow. We continue to strive towards implementing anti-racist practices that create a welcoming and inclusive environment for all. We are focused on making continued progress academically, socially, and emotionally through daily instruction.

This is also a year of change, as we welcome many new staff members:

Emily Ancona, Third Grade Teacher

Mario Andalla, Building Service Manager
Mary Christensen, Learning Center Teacher
Skye Garrett, Part-time Music Teacher
Emily Mooney, Kindergarten Teacher
Margaret Norris, Home School Model Teacher
Kylie Sheapp, Learning Center Teacher
Carly Wirth, Third Grade Teacher

We also have some staff members taking on new roles:

Lindsay Benjamin is moving to Third Grade
Nikki Stiger is moving to Kindergarten
Katie Tanenbaum is moving to Fifth Grade

We extend a very special thank you to our PTA and its new leadership. We will also have several PTA parent meetings that I believe you will find helpful and informative. If you are not an active member of the PTA, I strongly encourage you to get involved.

I look forward to seeing you all soon. If there is ever anything that I can do to help you or your child, please feel free to call me.

Directory Withholding Form

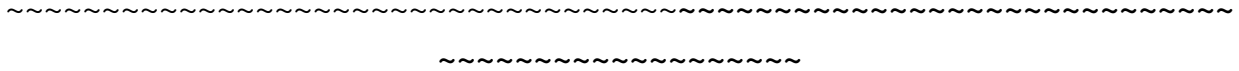

Every year, we work with the PTA to create a student directory. We also use student images and information for other things like the yearbook. Some parents prefer that their child's image and information is not included in things like this. If you do not want your child's information in the directory, please complete this form:

 [Directory Withholding Form.pdf](#) The form is due back to school on September 12, 2024. If you do not return the form then it is assumed that you are comfortable with your child's information being used.

Immunizations and Medications

It is very important that your child is up-to-date on his/her immunizations. If you are not sure, please check with your doctor. The state law mandates that children not be admitted to school without the proper immunizations. Medications must be brought to school in the original container by an adult along with [MCPS Form 525-13](#) (Authorization to Administer Prescribed Medication) completed by your physician. Medication will not be administered without proper authorization. Please contact our Health Technician if you have any questions.

School Cash Online

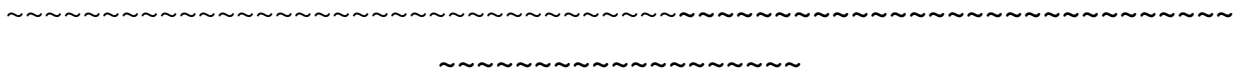

Montgomery County Public Schools has transitioned to a new online payment system called SchoolCash Online as its preferred method of payment for school-related fees such as fundraisers, field trips, obligations, etc.

SchoolCash Online helps parents/guardians and community members pay school-related fees safely, quickly, and easily. SchoolCash Online will help increase efficiency and security at schools by making payments directly into schools' bank accounts and eliminating the need for teachers to handle money. In addition, once registered, you will be immediately informed about school activities!

Powered by KEV Group, SchoolCash Online is the industry leader in the management of school fees. The new system puts all of the school-related fees online for purchase so users can make purchases online using a credit card or e-check. A processing fee will be included on all items available for purchase, regardless of the type of payment used on SchoolCash Online or at the school.
