### **Immunizations and Medications**

It is very important that your child is up-to-date on his/her immunizations. If you are not sure, please check with your doctor. The state law mandates that children not be admitted to school without the proper immunizations. Medications must be brought to school in the original container by an adult along with [MCPS Form 525-13](#) (Authorization to Administer Prescribed Medication) completed by your physician. Medication will not be administered without proper authorization. Please contact our Health Technician if you have any questions.

### **School Cash Online**

Montgomery County Public Schools has transitioned to a new online payment system called SchoolCash Online as its preferred method of payment for school-related fees such as fundraisers, field trips, obligations, etc.

SchoolCash Online helps parents/guardians and community members pay school-related fees safely, quickly, and easily.

SchoolCash Online will help increase efficiency and security at schools by making payments directly into schools' bank

accounts and eliminating the need for teachers to handle money. In addition, once registered, you will be immediately informed about school activities!

Powered by KEV Group, SchoolCash Online is the industry leader in the management of school fees. The new system puts all of the school-related fees online for purchase so users can make purchases online using a credit card or e-check. A processing fee will be included on all items available for purchase, regardless of the type of payment used on SchoolCash Online or at the school.

*Parents/guardians can register now at - <https://mcpsmd.schoolcashionline.com/>*

*SchoolCash Online also offers a 24/7 customer support desk that can be reached by online inquiry or by calling 1-866-961-1803.*
