

FEBRUARY NEWS

1st grade

A note from the teachers

Happy February!

Please be on the lookout for more information soon regarding our Field Trip and our Valentine's Day party!

Reminders

Remember to check your child's take-home folder every evening and return it to school every morning.

Please send a sweatshirt, sweater, or other light layer for students to keep in their backpacks or cubbies, because classroom temperatures can vary.

Events

Wednesday 2/5:

Principal and Parent Workshop

Wednesday 2/12:

Field Trip to Kids Museum

Wednesday 2/14:

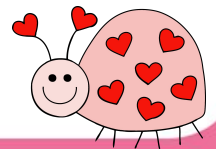

Class Valentine's Day Party

Monday 2/17:

No School-Presidents Day

Friday 2/28:

Early Release Day

Math Focus

Module 4 builds upon Module 2's work with place value within 20, now focusing on the role of place value in the addition and subtraction of numbers to 40. Students study, organize, and manipulate numbers within 40. Students use fingers, linking cubes, dimes, and pennies to represent numbers to 40 in various ways—from all ones to tens and ones. We will use a place value chart to organize units. The topic closes with the identification of 1 more, 1 less, 10 more, and 10 less as students learn to add or subtract like units.

Reading and Writing Focus

Knowledge: Domain 7 concentrates on the history of the earth and geographical features of earth. The read alouds focus on rocks, minerals, fossils, basics of geology and paleontology. Using previous skills, students will create friendly letters throughout the domain. We will also begin Domain 8 focusing on the wonder of the natural world through animals and habitats and their interconnectedness.

Skills: As we continue unit 4, there is an emphasis on r-controlled vowels, two-syllable words, and past tense words. Students will continue to read and answer comprehension questions from the decodable and informational text, "*The Green Fern Zoo*". Spelling Tests continue in this unit. Through writing, students will practice descriptive and informational writing while using plausible spelling.

Science and Social Studies Focus

We will continue with our social studies curriculum, focusing on models and representations of our world. We will primarily focus on how they give us information to locate and describe places. Additionally, we will also learn more about how people modify, protect, and adapt to their environments in order to meet their needs, connecting to information they will hear in read-alouds during knowledge domain 8.

Come visit Jackson Road's Family Market!

¡Ven a visitar el mercado familiar de Jackson Road!

We offer fresh produce and dry goods to members of the Jackson Road community, free of charge. Please bring your own bags!
Dates: October 1st, November 12th, December 3rd, January 7th, February 4th, March 4th, April 1st, May 6th, and June 3rd

Ofrecemos productos frescos y productos secos a los miembros de la comunidad de Jackson Road, de forma gratuita. ¡Por favor traiga sus propias maletas!

Fechas: 1 de octubre, 12 de noviembre, 3 de diciembre, 7 de enero, 4 de febrero, 4 de marzo, 1 de abril, 6 de mayo y 3 de junio

Please scan the QR code and complete this form to schedule an appointment to come in and visit the Care Closet and Food Pantry.

Escanee el código QR y complete este formulario para programar una cita para recoger ropa y la Despensa de Alimentos.
