

DECEMBER NEWS

third grade

A note from the teachers

Please remember to send your child with a coat to school! We have the first recess and it is still cold when we go outside! Don't forget to check your child's folder each evening for math and reading homework.

Reminders

Students will be taking the CoGAT test the mornings of December 9th, 10th, and 11th. Please make sure students get plenty of sleep the night before and arrive to school on time those days so they are ready to test.

Events

Math Focus

We have started Module 3. Module 3 builds directly on students' work with multiplication and division in Module 1. Module 3 extends the study of factors from 2, 3, 4, 5, and 10 to include all units from 0 to 10, as well as multiples of 10 within 100.

See below for parent tip sheets.

Reading and Writing Focus

Students will learn about Roman geography and history, government, major leaders, and monumental battles. They will also study the rise and decline of the Roman Empire. Students will be introduced to a writing portfolio, which they will reference as they collaborate, share ideas, and give feedback on their writing. They will also focus on writing an opinion piece that will be completed through a multi-day performance task.

Science and Social Studies Focus

Students will be doing both social studies and science in December. In social studies, students will learn about multiple perspectives of decision-making to protect/modify their environment. In science, students will learn about how weather and climate affect our choices.
