

JUNE NEWS

EVENTS

June 3rd - MLK Park Field Trip 9:30-11:30AM

June 6th - Field Day

June 10th - Kindergarten Promotion 9:15AM

June 13th - Last Day of School

REMINDERS

- For MLK park and field day, please make sure your child wears sneakers and brings a water bottle with his/her name. Please put sunscreen on at home. Do not send it to school. Thank you!
- For Kindergarten Promotion, we ask students to dress their best! We want **ALL FAMILIES TO PLEASE JOIN US!!** It will be a special day! Students should come to school at 8:40AM like normal.
- Our [ABC Countdown](#) continues! We hope your student is enjoying it!
- Last day of school on June 13th is an early release day.

Summer School & Kindergarten

- Summer School Registration is still open! Please see attached [flyer](#) for program details and to register ASAP!
- Do you have another student turning 5 by September 1st? Please see the **Kindergarten Registration Information** [flyer](#) from MCPS in English, Spanish, French, Vietnamese, and Amharic. Spread the word with family, friends and neighbors! If you need help, please call the main office at 240-740-0800.
- Do you have a child who will be 4 years old by September 1st? MCPS has launched an online registration process to support families who wish to apply for **prekindergarten & Head Start** programs. More information can be found [here](#).

JUNE NEWS

A NOTE FROM THE TEACHER:

Did you know, to see your child's report card and grades you need to log into ParentVue? Not on ParentVue? [Here's how!](#) You will need to be signed up to register for summer school too!

LEARNING FOCUS

Math- In June, we will be working on module 6 and have another opportunity to explore geometry. We will build and draw two-dimensional flat shapes and three-dimensional solid shapes. We will use ordinal numbers (first, second, third, etc.) to describe the position of a shape. We will also use pattern blocks and two-dimensional shapes to make larger shapes, such as making a square from two triangles.

Parent Resources: Topic A: [English](#) [Spanish](#) Topic B: [English](#) [Spanish](#)

Reading- After reviewing what we learned in Unit 8 for one day, we will fishing reading in June by using various texts to practice and reinforce what we have learned this year. We will talk about story elements and key details of a story, including characters, setting, beginning, middle, and end. Please continue working on letter sounds and sight words with your students at home, now and throughout the summer! We hope you enjoy a summer of reading together!

Science- In June, we will use observations to describe patterns of what plants and animals (including humans) need to survive. We hope your students get outside in this nice warm weather and enjoy science outdoors!
