

# ELECTRIC VEHICLE WRAP

## ART CONTEST

### RULES

### BACKGROUND

Montgomery County Public Schools (MCPS) Policy ECA, Sustainability, states our systemwide commitment to environmental sustainability. To support this policy, MCPS has purchased seven electric-powered cargo vans as fleet replacements. These electric vehicles will help reduce MCPS's overall greenhouse gas (GHG) emissions and support the Board of Education's commitment to cut GHG emissions by 80% by 2027.

We need your help to promote the actions that MCPS is taking to protect the environment. Your creative designs can inspire others care more about sustainability!

- This contest is open to all MCPS staff, middle school students, and high school students.
- Entries may be hand-drawn or created digitally.
- Artwork must contain the **MCPS** acronym and the slogan **Committed to Sustainability**.
- Artwork must promote the use of electric vehicles and/or the use of renewable energy sources.
- All entries must be accompanied by an official contest entry form.
- See the contest guidelines sheet for more details.

The focus of this contest is to increase awareness and demonstrate our school district's commitment to environmental sustainability and our sustainable actions.
