SOLAR ECLIPSE INFORMATION

As you know, a solar eclipse is expected on Monday, April 8th. School will be operating on a regular schedule for the day. Since the eclipse will occur around our school dismissal time, staff, students and families should practice eclipse safety while outdoors. ALL STUDENTS WILL RECEIVE SOLAR GLASSES TO WEAR DURING DISMISSAL FOR SAFETY. Families with walkers will need to connect with their student(s) immediately upon dismissal and leave school property in a safe and expedited manner. It is imperative that students and families understand the dangers of looking directly at the eclipse without the proper eye protection; as it could cause permanent damage to the eyes.
