

Sligo Creek Elementary School and Silver Spring International Middle School are grateful for the support and financial contributions of the following organizations and people:

AREVA provides its customers with solutions for low-carbon power generation in North America and all over the world. As the leader in nuclear energy and a significant, growing player in the renewable energies sector, AREVA combines U.S. and Canadian leadership, access to worldwide expertise and a proven track record of performance. Sustainable development is a core component of AREVA's strategy. Its nearly 5,000 U.S. and Canadian employees work every day to make AREVA a responsible industrial player helping to supply ever cleaner, safer and more economical energy to the greatest number of people. AREVA has a **long-standing tradition of community involvement** both here in North America as well as globally. Corporate citizenship is a key value for the company and one of our **commitments to sustainable development**. This commitment goes beyond just donating dollars. It is about **building partnerships** to support community needs, enhancing the quality of life and engaging community leaders and employees. It is about **listening to our key stakeholders** and understanding their needs and expectations. We know the importance of extending our commitments beyond traditional economic roles to help build a better society. Building good corporate citizenship means a better environment for growth and prosperity for all stakeholders. Please find more information about AREVA at <http://us.areva.com/EN/home-78/leader-in-lowcarbon-power-generation-for-north-america.html>.

The Maryland Environmental Trust is a statewide land trust that resides in the Maryland Department of Natural Resources. The MET's mission is to provide landowners with information and tools to permanently protect natural, historic and scenic resources in the state. In addition, the MET provides grants to environmental education projects through the Keep Maryland Beautiful Program. The Outdoor Classroom is honored to have received a Bill James Environmental Grant, given to proposed environmental education projects by school groups, science and ecology clubs, and other nonprofit youth groups.
