Winter 2025: Spanish Introductory

Let's speak Spanish! A fun introduction to Spanish where children learn through songs, games, puppets, storytelling, and hands-on activities in an immersion-style setting. Join us for our Winter story, *Los tres cerditos* or *The Three Little Pigs*, all in Spanish!
grades K-1

Winter 2025: Spanish Beginner

New and continuing beginners build a foundation for future language learning as we learn and practice speaking Spanish together in a fun, informal, language setting. New topics and themes this session include the alphabet and spelling, favorite sports and pastimes, prepositions, numbers to 100, farm animals, musical instruments, telling time, and a typical breakfast! *Grades 2-5.*

Big Learning classes are taught by native speakers of the language they teach. Workbooks and hands-on activities promote practical use of the language and support early literacy skills. Children can learn and practice new vocabulary and concepts throughout the year.
