

The Westover Student Council Invites you to Trick or treat for Unicef!

You don't have to wait until Halloween! You can help raise funds so friends around the world like you have good food to eat, clean water to drink, along with masks, hygiene supplies, treatment, and diagnostic kits.

Please ask a parent, family member, or community member to make a Trick or Treat for Unicef contribution on behalf of the Westover Wallabies team. There are no boxes this year, but we can donate directly using the following link:
